ABOUT US

St Vincent's Private Hospital Brisbane is a private sub-acute Catholic not-for-profit hospital located at Kangaroo Point in Brisbane.

We specialise in healthcare for people with chronic, complex and multiple health needs, with more than 450 experienced and qualified medical, nursing, allied health and support staff working to deliver excellent care.

We specialise in general medicine, geriatric medicine, pain management, palliative care and rehabilitation medicine and are committed to providing compassionate and innovative care, enabling hope for those we serve.

Our facilities are purpose-built for our specific patient groups and our hospital departments are expansive and carefully designed promoting healing and health.

Our care extends beyond our hospital walls. Reaching out into our community, we provide medical and nursing care to people at home.

ST VINCENT'S
Better and fairer care. Always.
